

Acapulco

Dazzles with 365 days of sunshine

"Where else can you find 365 days of sunshine per year? In addition to 12 miles of golden sandy beaches, what is most surprising is that Acapulco offers several historical points of interest as well as a wide array of cultural experiences within easy reach. Don't miss the silver mining town of Taxco. It's a real gem."

Tammy Cecco, Vice President, Total Vacations
